Fast-Growing GEFIT Livernois Engineering LLC Forms PEO Relationship with National HR Solutions, LLC

DEARBORN, Mich., Oct. 31 /PRNewswire/ -- GEFIT Livernois Engineering LLC ("Livernois"), a leading provider of manufacturing process technology and product design expertise to the global heat exchange industry, announced today its recent structuring of a professional employer organization ("PEO") relationship with National HR Solutions LLC, a leading human resource services firm. GEFIT Livernois is the U.S. subsidiary of the Italian firm GEFIT S.p.A. Headquartered in Italy, GEFIT S.p.A. has operations in Italy, Hungary and China, and manufactures turnkey equipment for assembly & handling systems, flexible & robotic lines, and semi & fully automatic assembly cells.

With this innovative PEO relationship, Livernois has essentially outsourced its entire human resources function to National HR Solutions. Under a multi-year contract, National HR Solutions will be providing Livernois with all of its HR needs, including payroll administration, hiring support, employee benefits, and performance management programs. Specific terms of the deal were not disclosed.

According to Raffaella Zavattaro, Vice-President of Livernois, "We are focused on significantly growing our operations here in the U.S. Creating a PEO relationship with National HR Solutions, and outsourcing our HR functions to them, has enabled us to focus on our core activities; and as a result, we expect to expand our business much faster than we could have on our own. National HR Solutions is bringing us world-class HR skills, processes and technologies, which all of our employees deserve."

Pete Nichols, Principal of National HR Solutions, said, "We view our relationship with GEFIT Livernois Engineering as a true partnership, and we envision ourselves as a key member of the Livernois team, delivering to them a full range of HR support services based on their unique needs as a fast-growing company. We are excited to be working with such a progressive management team. They truly embrace the notion that supporting their employees is a key to their company's competitiveness, and continued success and growth."

Jon Sundermann, General Manager for Livernois, added, "It is great to have the team of National HR Solutions professionals on our side. With all of the time-critical issues facing a growth-oriented company like ours, it's great to know that we can rely on National HR Solutions for prompt and proper answers every time."

The contract directly affects 100% of Livernois' employees, and all of them will be continuing employment. Livernois anticipates adding staff as its business continues to expand.

About GEFIT Livernois Engineering, LLC: GEFIT Livernois Engineering LLC's ("Livernois") products and services are used to produce radiators, heaters, condensers, evaporators, oil coolers, and other heat exchangers made by the world's leading OEM and aftermarket manufacturers. Livernois' product range includes fin forming mills, roll form tooling, fin traying and handling systems, folded tube forming mills, lean manufacturing cells, and fully automated, semi-automated and manual core assembly systems. In addition, Livernois provides manufacturing process technology and product design expertise to the global heat exchange industry. Livernois is

headquartered in Dearborn, Michigan. For more information, please visit <http://www.livernois.com> .

About National HR Solutions, LLC: Headquartered in Ann Arbor, Michigan, National HR Solutions, LLC is a leader in human resources outsourcing ("HRO"), and serves clients across a variety of industries. Depending on the specific needs of the client, National HR Solutions can deliver services as a professional employer organization ("PEO") or as an administrative service organization ("ASO"). National HR Solutions is part of the National Integrated Employer Solutions, Inc. suite of companies, which has been providing HR-related services since 1988.
